Improvement on last year's result. Invested a bit more in circuit – asphalt pad in pits which came in under the quote and the deer fencing along Sandy Point Road. Local funders have been very

generous with their donations again this year. Have also purchased two cash registers for Teretonga Tasties and Bar. Upcoming capex includes circuit lights, main entrance, etc. With regard to the financial statements we have received a qualified report from the auditors once again due to the inclusion of Provision for Track Maintenance which doesn't meet definition of liability and also due to limited controls over gate takings etc.
