## 6. COMPETITOR REQUIREMENTS & UNDERSTANDING

### 6.1 Licence Requirements

The driver must hold as a minimum a C1 Grade Competition Licence.

If the Entrant is other than a driver, an Entrants licence in the name of the Entrant is required.

### 6.2 Covid-19 Protection Framework

Based on the current requirements at the time of writing these Supplementary Regulations, it is a condition of entry that My Vaccine Passes are mandatory for all attendees.

### 6.3 Competitors Briefing

A written briefing will be issued at documentation to all competitors.

A verbal Drivers Briefing may also be held on Saturday 19<sup>th</sup> March (depending on Covid rules) and is compulsory for all competitors to attend. Time will be published in Supplementary Regulations Part 2.

### 6.4 New Drivers

Any driver who has competed in three (3) or less race meetings, or who has not previously competed at the circuit must indicate the fact on the entry form and attend the New Competitors Briefing session. The time for this will be indicated in the Supplementary Regulations Part 2.

## 6.5 Competitor Understanding

In signing the entry forms competitors (Entrant and Drivers) are deemed to fully understand the MotorSport NZ National Sporting Code and its relevant Appendices and Schedules. In particular:

- The National Sporting Code Articles pertaining to protests and competitor's obligations, and
- Schedule Z Articles detailing Flag signals and Code of Conduct, and
- The Code of Practice for Motorsport Fuel Handling.

## 6.6 Protective Clothing

Please refer to the Motorsport New Zealand Manual, Appendix Two – Schedule A, Part One – Article 4.3. The minimum requirement for this event is level B.

***Please note that Frontal Head Restraints are mandatory as of 1 October 2020. Specific requirements can be found online in the current MotorSport New Zealand Manual.***

## 7. DOCUMENTATION & SCRUTINEERING AUDIT INSPECTION

### 7.1 Documentation

Will take place on –

- Friday 18<sup>th</sup> March 2022 between 1.00pm and 4.00pm; and
- Saturday 19<sup>th</sup> March 2022 between 7.30am and 9.30am.

Location will be advised in Supplementary Regulations Part 2.

### 7.2 Scrutineering Audit Inspection:

Depending on the Covid restrictions at the time of this event, please assume that Self Scrutiny of your Vehicle will be required. Please fill in the Self Scrutiny form attached with these regulations and either email back to [info@teretonga.org.nz](mailto:info@teretonga.org.nz) or hand in at documentation.

If restrictions have been lifted, for all classes, with the exception of the Super Trucks, the Scrutineering Audits will take place at Teretonga Park in the Turntru Machining Scrutineering Shed and will run simultaneously with Documentation as above. Competitors may be advised at documentation if their vehicle has been selected for audit.

If required, the Super Truck Scrutineering Audit venue will be advised in the Part Two Supplementary Regulations.

## 8. POSTPONEMENT, CANCELLATION, ABANDONMENT & ORGANISERS' RIGHTS:

Pursuant to national Sporting Code Article 13, the organisers advise that if less than 60 entries are received by the entry closing date the meeting may be postponed or cancelled.

Should there be less than 12 entries received for any class proposed in Article 3 of these Supplementary Regulations by the entry closing date, the organisers reserve the right to cancel that class or amalgamate it with another class at their sole discretion.

## 9. ELIGIBILITY

Those Registers/Series that have Motorsport New Zealand Championship or Accredited Series status will have the full powers of the Motorsport New Zealand Rulebook for Championship/Accredited Series. Other Classes must comply with Schedule A.

## 10. PASSENGER RIDES (HOT LAPS) – Dependent on Covid Restrictions

If time allows, the organisers may allocate time at the conclusion of testing on Friday for Passenger Rides. Only drivers and vehicles entered in the race meeting will be allowed to take part in the rides session and drivers must have completed documentation and scrutineering.

Drivers are to report to the Race Office between 2.00pm and 3.00pm on Friday 18<sup>th</sup> March 2022 to complete, sign and collect their Meeting Passenger Indemnity Form and Passenger Identification Wrist Band.

Meeting Rides will be conducted in accordance with the current New Zealand Motorsport Manual, Appendix Four, Schedule Z, Article 24.

#### **11. TIMEKEEPING / RESULTS**

The AMB timing system will be used for this meeting therefore transponders are required. Competitors with their own AMB transponder need to advise their transponder number in the appropriate space on the entry form. Competitors who do not have an AMB transponder will need to hire one at an additional cost of \$30.00.

Results of all practise, qualifying sessions and races will be posted on the Official Notice Board situated outside the Race Office unless otherwise advised.

#### **12. CIRCUIT SIGNALLING SYSTEM**

As per Appendix Four Schedule Z Article 11 of the current MotorSport New Zealand Manual, Drivers will be signalled by Alitrax Flag Point Lights at Flag Points 1, 3, 4 and 5, and by Flags at Flag Points 2 and 6 when in use.

The lights will have the meanings as indicated in Schedule Z Article 11.2 and its Addenda.

Start lights, Flags and Signal Boards will continue to be used at the Start/Finish Line.

In the event that the flag point lights fail, all points will revert to flags.

#### **13. FUEL HANDLING & STORAGE**

Fuel will not be available at the circuit.

**AvGas** is available from Southern Wings, Monday to Friday 8.30am to 5.00pm.

**100 Octane Unleaded fuel** is available from NPD in Bond Street, Invercargill.

*please email us with your intention. Please note that if you choose to have a second driver, this person must enter, or already be entered, for the race meeting and have paid the appropriate entry fee.*

### **Compulsory Pit Stop**

During the race there is a compulsory pit stop to take place between ten and fifty minutes of the race duration. During this pit stop either:

- a) a driver change is to be made; or
- b) the driver must exit the car, complete a full circuit of the car, and re-enter via the drivers door. The engine may be kept running during the procedure. Only when the safety belts are fastened may the vehicle proceed out of the pit lane, awaiting the starter's signal to re-join the race.

All competing vehicles shall make at least one pit stop during the race. This stop is not permitted under red flag conditions.

### **Red Flag**

During a red flag situation no vehicle may be worked on in pit lane or Parc Ferme. Any vehicle removed from pit lane must be removed to Parc Ferme, unless withdrawing from the race.

### **Re-Fuelling**

If it is necessary to re-fuel a vehicle during the race, the following type of equipment is authorised –

- a) Hand held containers; or
- b) Dry break hand held containers; or
- c) Sealed drums of 50 litre maximum capacity with hand operated pump; or
- d) Overhead (gravity fed) refuelling system with Dry Break Connectors.

All vehicles (except those using 'dry-break' systems) must stop their engines for the duration of the refuelling process. No other work may be performed on the race car during the refuelling process unless a dry break refuelling system is used.

The amount of fuel stored in or immediately adjacent to the pit lane must not exceed the capacity of the vehicle's fuel tank. Each pit must be equipped with an operable fire extinguisher of at least 5kg capacity. Any spilled fuel must be mopped up prior to leaving the pit and re-joining the race.

The re-fuelling crew must wear fire resistant overalls, gloves and balaclavas.

### **Pits**

The sharing of pit and re-fuelling crews is permitted.

A maximum of four service crew and two drivers are permitted in the pit lane at any one time with each car. A maximum of two of these pit crew members shall be designated the 'Re-fuelling Crew'. Each team pit area shall have a Dedicated Fire Marshal wearing fire-proof overalls, balaclava and gloves with a fully serviced operable dry chemical fire extinguisher of minimum capacity of 5kg. This person's sole responsibility is to man the fire extinguisher and this person cannot take part in any other job when refuelling is taking place.

All teams using overhead refuelling systems shall have a dedicated person whose sole responsibility is to operate the self-closing valve. This person shall wear fire-proof overalls, balaclava and gloves and their sole responsibility is to man the overhead rig self-closing valve and this person cannot take part in any other job when refuelling is taking place.

A maximum of two persons per vehicle are allowed in the pit wall signalling area at any one time. The pit wall must be vacated at the start of the race.

### **Work during Refuelling Process**

- Dry Break System: Other work may be performed on the vehicle during the refuelling process.
- Non Dry Break System: No other work may be performed on the vehicle during the refuelling process.

### **Starts & Grids**

Starting positions will be determined by the fastest qualifying time achieved by each vehicle in the practise session and will be a Rolling Start. Number one driver in each team will qualify in the scheduled session.

### **Safety Car**

During any Safety Car period, the pit lane exit will be closed until Safety Car train has passed.

### **Organiser's Rights**

The Organisers reserve the right to inspect, and if necessary, approve all refuelling and safety equipment prior to it being used.
